

**TIFMAS GRANT ASSISTANCE PROGRAM  
 FY 2012 - FUNDING SUMMARY – MEETING 1  
 OCTOBER 26, 2011**

Texas Forest Service conducted the FY2012 TIFMAS Funding Meeting for Apparatus on October 26, 2011. At that meeting, the Committee approved \$773,540 in grants for five TIFMAS vehicles, which includes a complete radio complement and loose equipment complement for each vehicle. The Committee approved an additional \$23,520 for standardization upgrades to the existing TIFMAS fleet (adding one extra handheld portable radio per each of the 16 units already in service). All grant approvals made today are based upon recent cost estimates and the final approved amounts may need to be adjusted once bids are received.

The departments awarded a grant at this meeting will receive official written notice of approval. Any applications for assistance not approved at this meeting will automatically roll forward and will be reviewed at future funding meetings.

The date of the next TIFMAS Funding Meeting is tentatively scheduled for Wednesday, August 8, 2012, if needed. If no year-end funds are available on that date, the meeting may be cancelled.
