

**ANNUAL REPORT
FISCAL YEAR 2021**

RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM

I. OVERVIEW

The Rural Volunteer Fire Department Assistance Program (RVFDAP) was established in 2001 by the 77th Texas Legislature and expanded in 2009 by the 81st Legislature. RVFDAP provides two types of grants: VFD Assistance Grants and TIFMAS Grants. The program is administered by the Texas A&M Forest Service.

VFD Assistance Grants

The VFD Assistance Grants are funded through the Rural Volunteer Fire Department Assistance Fund (Fund 5064), which is composed of revenue derived from an assessment to certain property and casualty insurers. The VFD Assistance Grant criteria, process and procedures were developed in the spring of 2002 in consultation with statewide advisory groups composed of firefighters, community leaders, educators, representatives from the State Firefighters' and Fire Marshals' Association of Texas, Texas A&M Engineering Extension Service, and the Texas Commission on Fire Protection. The VFD Assistance Grants are cost-share grants provided to volunteer fire departments within the following categories and funding limits:

| Category | Grant Funding Limits |
|--|--|
| Fire Trucks Fire Truck Chassis' /Slip-On Units | 90% of the actual cost not to exceed assigned maximums |
| Fire / Rescue Equipment | 75% of the actual cost not to exceed assigned maximums |
| Firefighter Protective Clothing | 90% of the actual cost not to exceed assigned maximums |
| Firefighter Training Tuition Fire Training Aids | 100% of the cost of approved courses, subject to assigned maximums |
| Dry Hydrants | 100% of the costs of components, subject to assigned maximum |
| Catastrophic Loss | 90% of the actual cost not to exceed assigned maximums |
| Declared State of Disaster | 100% of the actual cost not to exceed assigned maximums |

TIFMAS Grants

The 81st Texas Legislature transferred the \$1,000,000 per year Fire Department Emergency Program from the Texas Commission on Fire Protection to Texas A&M Forest Service for administration under the RVFDAP in January of 2010. These funds are from the Department of Insurance Fund (Fund 036) and are maintained in a separate account within Fund 5064, as required by statute. The agency worked closely with fire service advisors to develop criteria, processes and procedures for these funds to be used

for Texas Intrastate Fire Mutual Aid System (TIFMAS) Grants, which are awarded to fire departments that are not eligible for the VFD Assistance Grants. Fire departments participating in TIFMAS provide a critical surge capacity that cannot be met with out of state resources. TIFMAS grants provide equipment and training to support the participating departments.

II. ACTIVITY

VFD Assistance Grants

In FY 2021, VFD Assistance Grant funds were apportioned by Region at the beginning of the year as follows:

| | | |
|-------------------|----------------------|-------------------|
| <u>WEST TEXAS</u> | <u>CENTRAL TEXAS</u> | <u>EAST TEXAS</u> |
| 22% | 55% | 23% |

These allocations correspond to the location of the state’s approximate 1,672 volunteer fire departments.

The FY 2021 VFD Assistance Grants budget was \$16,123,818, which was down \$1,152,577 due to the state-mandated 5% reduction. Program administration costs (including program delivery) are authorized at 7%. For FY 2021, administrative costs were 4.41%. Priority was placed on approving outstanding grant applications for fire trucks. Actual grant funds awarded were distributed as follows:

| | | |
|-------------------|----------------------|-------------------|
| <u>WEST TEXAS</u> | <u>CENTRAL TEXAS</u> | <u>EAST TEXAS</u> |
| 21.07% | 55.82% | 23.11% |

The agency conducted funding meetings in October, April and August. The following is a summary of the grant awards by category:

Regular Grant Awards

| Category | Number of Grants Awarded | Dollar Value of Grants |
|-------------------------------------|--|------------------------|
| Fire Trucks | 31 | \$ 5,914,700.00 |
| Fire Truck Chassis / Slip-On Units | 72 | \$ 2,243,444.70 |
| Fire/Rescue Equipment | 111 | \$ 1,846,655.77 |
| Personal Protective Equipment (PPE) | 195 | \$ 2,379,959.74 |
| Training | 1,522 <i>4,115 - Students</i> <i>89 - Aids</i> | \$ 2,360,358.93 |
| Total | 1,931 | \$14,745,119.14 |

Emergency Grant Awards - Catastrophic Loss

| Category | Number of Grants Awarded | Dollar Value of Grants |
|---------------------|--------------------------|------------------------|
| Trucks | 5 | \$ 532,910.00 |
| Repairs/Replacement | 15 | \$ 197,533.95 |
| Total | 20 | \$ 730,443.95 |

Emergency Grant Awards - Declared State of Disaster

| Category | Number of Grants Awarded | Dollar Value of Grants |
|-----------------------|--------------------------|------------------------|
| Immediate Assistance | 105 | \$ 464,841.59 |
| Additional Assistance | 55 | \$ 317,137.94 |
| Total | 160 | \$ 781,979.53 |

TIFMAS Grants

The FY 2021 TIFMAS Grants budget was \$950,000, which was down \$50,000 due to the state-mandated 5% reduction. Grant funds were apportioned 80% to vehicles and 20% to training tuitions. Vehicle grants were approved and assigned to applicants within three of the eight branches in the state to meet strategic needs. The following is a summary of TIFMAS grant awards by category:

| Category | Number of Grants Awarded | Dollar Value of Grants |
|------------------|------------------------------|------------------------|
| Fire Trucks | 3 | \$ 685,671.00 |
| Equipment | 71 | \$ 108,833.82 |
| Training Tuition | 140 <i>491 - Students</i> | \$ 137,168.38 |
| Total | 214 | \$ 931,673.20 |

III. PLANS FOR FY 2022

Spending authority is set at \$16,974,312 for VFD Assistance Grants and \$1,000,000 for TIFMAS Grants. The agency will continue approving outstanding grant applications for VFDs requesting assistance for a second fire truck.

IV. LEGISLATIVE NEED

RVFDAP has been an incredibly successful program since it was initiated. However, with nearly \$230 million in unfunded VFD Assistance Grant requests, much remains to be done. Increasing the program’s funding would greatly assist in addressing the unfunded requests.

Also, increased funding for TIFMAS Grants is needed to further strengthen the critical surge capacity that TIFMAS provides to the state.

V. EFFECTIVENESS

RVFDAP continues to be a highly effective program and is recognized nationwide as one of the most successful legislative initiatives to assist fire departments and build capacity in the fire service.

In its 19 years of operation, **VFD grants have placed into service over 1,960 fire trucks, provided safety gear and equipment to over 1,760 departments, and helped train over 90,000 firefighters.** Texas A&M Forest Service continues to leverage RVFDAP funds with federal USDA funds to provide VFD grants in an effort to maximize program assistance.

In its eleven years of operation, **TIFMAS grants have placed into service over 52 fire trucks and helped train approximately 9,110 firefighters.** The grants have made a significant improvement in the state's ability to rapidly mobilize large groups of firefighters and engine teams from unaffected areas to meet critical emergency response needs. Since 2008, **TIFMAS mobilizations have provided 1,464 fire engines and 6,355 firefighters during state-lead emergency response.**

The program and its components continue to be very user friendly and responsive to the needs of Texas communities. It offers a simple and straightforward grant application process that makes it easy for fire departments to apply. The program has experienced overwhelming support and participation from Texas fire departments. As a result, grant application backlogs are forecasted to continue for the foreseeable future.
