# Nature Challenge

## What is Nature Challenge?

Nature Challenge is a community for all things “outdoors” where nature-related organizations can come together and easily promote their services, opportunities, and activities all in one place- And, it’s 100% free to use.

This tool is the result of a shared vision between

**Texas A&M Forest Service, Texas Children in Nature Network,**

**Texan by Nature** as well as a rapidly growing community of environmental service providers that creating a more sustainable world begins with bringing nature back into the everyday lives of the people.

The site contains an **interactive map and directories** that people of all ages can use to find exciting, new ways to get connected with nature, have some fun, and make a difference at the same time.

- 🌿 Get physically active in the outdoors
- 🌿 Clean up our environment
- 🌿 Protect and conserve forests & natural resources
- 🌿 Learn new skills
- 🌿 Support wildlife
- 🌿 And more!
